## Miss Ellen Gregg

It is a rare occassion for "The Chieftain" to honor a woman who has spent so many years in the teaching profession. We are proud that it is our class that is able to do so.

Miss Gregg, daughter of Mr. and Mrs. Ralph E. Gregg, was born in Oneida. She attended District 13 School and graduated from Oneida High School.

She graduated from Hamilton Training Class for teachers in 1909. She has attended summer school at Syracuse University and at Buffalo State Teachers College.

In 1918 she enlisted in the Nurse Corps and was sent to Camp Jackson, Spartansburg, South Carolina. She contracted the flu and returned home with an honorable discharge.

She then returned to teaching taking a position at Bridgeport School.

Miss Gregg has taught at the West Road School, District 13 School, District 9 School, and Bridgeport School. She has spent the remainder of her teaching career at Stockbridge Valley Schools.

She supervised the school bus from the Stockbridge Grade School to the Stockbridge Valley School for three years when the district became centralized in 1928.

Miss Gregg has been very active in the Red Cross in Oneida and in the Junior Red Cross at Stockbridge. She has held offices in the Parent Teachers Association. She is a member of the New York Teachers Association and the National Education Association.

Miss Gregg is now going into retirement. We extend her our best wishes for happiness and every blessing.

The Student Council is the most important organization in any school. Our Student Council has had many projects this year. We sold banners with school initials on them. We ran a contest to select the best design for our banners. We had many entries but it was decided Charles Snell's was best.

Oneida Community has agreed to present a plaque to the school. Each year the names of the outstanding girl and boy will be engraved on this plaque. These students will be chosen on the basis of sportsmanship, enthusiasm, and citizenship.

The officers of the Student Council for the year are:

President - Jane Cameron  
Vice President - Charles Snell  
Secretary - Sharon Snyder  
Treasurer - William Poquin

Our advisor is Mr. Reynolds.

We began the season on a successful note. We won our first three games against Waterville, Morrisville and Madison. We suffered our first loss to Earlville. This defeat was no doubt partly due to the fact that several key players had sustained injuries. After this the tide seemed to turn against us and we were unable to rally.

The scoring of each game is as follows:

Waterville .... 13	Earlville ..... 33

Our leading scorer was Charles Snell, who now holds the school scoring record. Consistent scoring by Bill Orcutt, Jim Giesler, Mike Conklin and the play making of Bill Paquin made the Stockbridge Indians a constant threat.

The J. V.'s lost many of their last years regulars, as they were moved up to varsity. But as the season progressed the J. V. team began to take form.
